## ***EISA Skiing Policy and Procedures***

### **SECTION I *Application of Policies and Procedures***

#### *1.1 Rules Priority*

All EISA sponsored intercollegiate competitions will be organized and administered according to the NCAA Men's and Women's Skiing Rules. The EISA Policies and Procedures contain the policies, procedures and competition rules specific to the EISA.

#### *1.2 Governance*

The EISA Policies and Procedures are governed and enforced by a majority vote of the EISA membership or of the EISA Executive Committee.

#### *1.3 Policies and Procedures Changes*

EISA Policies and Procedures may only be changed or modified by a majority vote of the EISA membership or of the Executive Committee as directed by the Bylaws. Appropriate notice of all rule changes must be made to all member institutions. The vice president will serve as the rule editor. 9/08

#### *1.4 Appeals Committee*

The EISA Executive Committee shall serve as the appeals committee. 9/01

#### *1.5 EISA Business Name*

The EISA will do business under the name "EISA Skiing" and "EISASkiing.org". 9/01

#### *1.6 Games Committee*

At each EISA Carnival the Executive Committee will serve as the Games Committee. 4/08

### **SECTION II *Calendar***

#### *2.1 Schedule Planning*

At the fall meeting the host institutions and dates for the next season shall be proposed. At the spring meeting the dates, sites, events, sanctioning and cross-country distances and formats for each carnival for the upcoming season shall be determined. The Executive Committee must approve schedule changes made between the spring and fall meetings. 4/08

#### *2.2 Schedule*

The first carnival will be hosted in rotation by Colby and Bates. The second weekend shall be hosted in rotation by SMC and SLU. The third weekend will be an open weekend whenever possible. UVM and Dartmouth will host the next two weekends on traditional dates, 3<sup>rd</sup> and 4<sup>th</sup> carnival weekends respectively. Williams and Middlebury will rotate on the fifth scheduled weekend. Middlebury and UNH will rotate on the sixth and final carnival weekend when Middlebury is not hosting the 5<sup>th</sup> weekend. 10/07

#### *2.3 FIS-UNI Carnivals*

The first five EISA Carnivals will have FIS-UNI sanctioned alpine GS and SL events. 4/02

#### *2.4 EISA Championships, NCAA Regional Qualifier*

The EISA Championships will also serve as the NCAA Regional Qualifier for non EISA Institutions.

#### *2.5 Carnival Events*

Each carnival shall consist of 8 events; slalom and giant slalom alpine events for men and women and two cross-country events for men and women. Cross-country formats may include individual, mass and wave starts, relays, pursuits and sprints. The annual schedule for cross country events should include 3 mass starts. (4/05)

#### *2.6 Days of Competition*

All carnivals will be scheduled so as to minimize conflicts with academic calendars. Events will be scheduled on consecutive days, either Friday - Saturday or Saturday - Sunday on consecutive days.

### *2.7 Sanctioning*

All EISA alpine events must be sanctioned as either USSA or FIS-UnI events, with the exception of cross country relay events Effective 2007 all EISA Cross Country events must also be sanctioned as either USSA or FIS-Uni events. The appropriate USSA and FIS rules must be followed: however NCAA rules will take precedent.. (4/05)

### *2.8 Expanded Field Cross Country Carnivals*

The first two carnivals may include cross-country events that are open to additional EISA member skiers who are in addition to the official team entry of 6 men, 6 women. These skiers are not included in the carnival scoring or results. (9/05)

## **SECTION III *Team***

### *3.1 Team Size*

Each EISA institution may enter a team of 6 men and 6 women each in alpine and cross country to be counted towards the team score. The total team size may not exceed 12 men and 12 women. 4/02

### *3.2 USSA, FIS Membership*

The EISA requires that all alpine racers be current members of USSA. All competitors in FIS-Uni alpine events must have a FIS number. 1/00

### *3.3 Cross-Country Relays*

Relay teams will consist of 3 skiers of the same gender from the same team. Each school may field two scoring teams for each gender. Only one team of each gender will be counted towards the team score. 4/02

### *3.4 Mixed Gender Cross-Country Relays*

Mixed gender relay teams will consist of 2 men and 2 women. Each team may field three teams. Only the top two teams will be counted towards the team score. 4/02

### *3.5 Individual Sprint Events*

Each team may enter 6 skiers, in the qualifying round. The top 30 EISA skiers from the qualifying round, along with any NENSA competitor who finishes in the top 30 of the qualifying round, will qualify for the final rounds. The remaining skiers will compete in the consolation round. 4/08

## **SECTION IV *Invitations, Entries, Coaches Meeting***

### *4.1 Invitation*

The host institution shall prepare and distribute an invitation to all eligible teams at least two weeks in advance of the entry deadline. The invitation must contain the following information:

- The official team entry form, entry addresses and deadline.
- The time and location of Registration.
- The time and location of the Coaches Meeting.
- The names and phone numbers of important officials and contacts.
- The starting time and place of each event.
- Entry fee invoice

### *4.2 Entry Deadline*

Entries and preliminary seeding must be received, by BART and the host institution, by 12:00 noon, two days prior to the first event, typically Wednesday. 9/00

### *4.3 Seeding and Entry Changes*

Changes in entries and seeding may be made during registration. In all individual cross-country event entries and seeding are final at the close of registration. For cross-country relays, changes may be

made in the relay running order or alternates substituted up to 30 minutes before the start of the relay (NCAA Rule 11, Section 10,c). Alpine entries and seeding are final at the close of the draw for FIS-UNI events and at the end of registration for USSA events. 9/00

#### 4.4 *Coaches Meeting*

The coaches meeting will begin at 7:00 PM the evening prior to the first carnival event. The alpine and crosscountry meeting should take place at the same location if possible. 9/00

#### 4.5 *Carnival Review*

During the carnival season, at each coach's meeting, the previous carnival will be discussed. 4/99

#### 4.6 *FIS-Uni Alpine Quotas*

Carnival entries for FIS-Uni sanctioned events must follow the quota priorities established by USSA and FIS. Maximum field size shall be 80 (9/04) skiers per event.

The quota priorities are:

1. EISA teams.
2. FIS-Uni Eligible Foreign entries
3. USSA quota of up to 30 non-college students.
4. Other U.S. FIS-Uni eligible athletes.

The USSA quota will be a minimum of 10 women and 10 men for all EISA FIS-UNI alpine events. The host shall have the ability to expand the quota at their discretion (4/99). EISA institutions may not enter more than 6 skiers.

#### 4.7 *Individual Guest Entries, Alpine*

Guest entries may be allowed in alpine FIS-Uni events according to EISA, FIS-Uni and USSA quota rules. U.S. FIS-Uni eligible athletes may also enter if quota priorities and field size allow. The host institution must announce the size of the USSA and FIS-Uni quota at least two weeks in advance of the competition. The USSA Eastern Office controls the selection of the USSA quota. The U.S. FIS-Uni quota will be selected by the NTSM method using the current FIS list.

#### 4.8 *Individual Guest Entries, Cross Country*

Individual guest entries of up to 6 men and 6 women will be allowed at each carnival. These entries will be selected and entered through NENSA. (9/05)

##### 4.8.1 *NENSA quota for sprint races*

The NENSA quota for individual sprint races will be limited to 3 per gender.

##### 4.8.2 *NENSA qualifications for EISA Races*

The NENSA/USSA/FIS standard is 120 for men, 150 for women. If the event is a distance race, the athlete must have met the standard on the USSA or FIS distance list. If the event is a sprint race, the athlete must have met the standard on the USSA or FIS sprint list. For athletes using NENSA points, points used have to be the average of their best two results in the discipline they want to race in order to meet the standard. An exception would be made for athletes who have qualified to represent their country at World Juniors /U23 Championships. 9/08

#### 4.9 *Guest Team Entries*

Guest collegiate team entries may be allowed at all carnivals at the invitation of the carnival host. Up to 6 men and 6 women skiers per discipline per team may enter.

#### 4.10 *Entry Fees*

The entry fee for each EISA carnival team is \$600. 9/02

The entry fee for individual skiers in cross-country events is \$25 per race.

The entry fee for individual skiers in FIS-UNI alpine events is \$50 per race. 9/06

The entry fee for individual skiers in USSA alpine events is \$35 per race. 4/05

##### 4.10.1 *Guest Collegiate Team Entry Fees*

A guest collegiate team is allowed to enter either an alpine team or a cross country team at the individual entry fee. Beyond this one time entry, the team must pay the individual entry fee plus an additional \$250 per discipline, per race, to EISA. 4/07

#### 4.11 *Alpine Course Setter/Referee/Coaches Rep Rotation*

Course Setters, Referees, Assistant Referees, and Coaches Reps will be determined prior to the competition season in a way that allows each institution reasonably similar duties over the course of the carnival season. Host institutions will have one extra responsibility (course set) than non-host institutions. 10/08

#### 4.12 *Nordic Coach Rep for Jury*

### **SECTION V *Alpine Seeding***

#### 5.1 *FIS-Uni Seeding*

All competitors in FIS-Uni sanctioned events will be seeded by the FIS-Uni Start Lists, using the EISA Start List Seeding Procedure. (rule 5.3)

##### 5.1.1 *FIS-Uni Start Lists*

- a. The FIS-Uni Start Lists will be created for each discipline, SL and GS, by scoring all competitors, in all EISA FIS-Uni events for the current season, including the “Basic List” from the previous season for the first two races in that discipline, using the World Cup points table.
- b. In the case of a tie in an event, each racer will be awarded the full points for his/her place of finish.
- c. The current FIS-Uni Start Lists will be posted on [www.EISASkiing.org](http://www.EISASkiing.org).

#### 5.2 *USSA Seeding*

All competitors in USSA sanctioned events will be seeded by EISA Start Lists, using the EISA Start List Procedure. (rule 5.3)

##### 5.2.1 *EISA Start Lists*

- a. The EISA Start Lists will be created for each discipline, SL and GS, by scoring only EISA competitors, in all EISA events, including the “Basic List” from the previous season for the first two races in that discipline, using the World Cup points table.
- b. In the case of a tie in an event, each racer will be awarded the full points for his/her place of finish.
- c. The current EISA Start Lists will be posted on [www.EISASkiing.org](http://www.EISASkiing.org).

#### 5.3 *EISA Start List Seeding Procedure.* (rule numbers reference FIS Continental Cup Rules)

##### a. 3.1. *First Group (1 - 15).*

The first group (1- 15) will be determined on the basis of the FIS-Uni Start List for FIS events and the EISA Start Lists for USSA events. In case of a points tie for 7th or 15th place the group will be appropriately expanded. If there are not 15 competitors with Start List points, then the first group comprises only the competitors with points.

##### b. 3.1.1. *Draw.*

The first group is sub-divided into two groups: (1 - 7) and (8 - 15). The start numbers are then drawn by double draw from within these groups.

##### c. 3.1.3. *Validity of the Event Lists for the composition of the first group.*

The final discipline ranking of the Start Lists will be used in the next season as though it were a race result, where the first ranked has 100 points, the 30th ranked has 1 point. This ranking determines the first group for the first race of the season, and is called the "Basic List". For the first race, if there are not 15 competitors present who appear on the basic list, the first group will be filled to 15 based on the continuation of the previous seasons final discipline results. Start List points from the first race in each discipline will be added to the basic list to determine the new ranking.

d. 3.1.4. *Validity of the Basic List.*

After the second race in that discipline in the current season the basic list will be deleted. After that only the Start List points gained in the current season count.

e. 3.2 *After the first group.*

After the first group and the special group competitors, the competitors start in the order of their FIS points for FIS-Uni events and USSA points for USSA events.

f. 3.2.1 *Special Group.*

Competitors who have accumulated at least 200 overall Start List points in all disciplines may start as number 16 unless they have a right to start in the first 15. If due to injury a competitor cannot make use of this facilitation, he/she may use it at the first 3 races of the following season.

## **SECTION VI *Cross-Country Grouping and Seeding (9/05)***

### *6.1 Seeding for Mass Start Competitions*

An EISA Mass Start List, to be known as EMSL, will be formed for all mass EISA races. For seeding purposes, the field will be grouped into 5 groups. 1, 2, 3, 4, and 5. 10/08

#### *6.1.1 Group 1 Seeding for Mass Start Competitions*

Group 1 is composed of skiers that are in the top 30 in the EISA Ranking List compiled using World Cup Points for that technique. Start order for Group 1 is based on EMSL. If an individual ranked in the top 30 is not competing, they are not substituted. 10/08

#### *6.1.2 Groups 2-5 Seeding for Mass Start Competitions*

The remaining skiers would be evenly distributed by the coach in groups 2, 3, 4, and 5. Start position within each group will be drawn randomly. 10/08

- 6 Skiers in Group 1 – then no skiers in any other Group
- 5 Skiers in Group 1 – then up to one skier in Group 2
- 4 Skiers in Group 1 – then up to one skier in Group 2, and one skier in Group 3
- 3 Skiers in Group 1 – then up to one skier in Group 2, one in Group 3, one in Group 4
- 2 Skiers in Group 1 – then up to one skier in each Group
- 1 Skier in Group 1 – then up to two skiers in Group 2, two in Group 3, one in Groups 4 and 5
- 0 Skiers in Group 1 – then up to two skiers in Group 2, two in Group 3, one in Groups 4 and 5

### *6.2 Ranking*

For the first race of the carnival season, the previous year's final ranking in the given technique will be used, unless the league chooses to use a team seeded start decided by majority vote. For the second race, the point total is determined using the previous year's final ranking combined with the first race of the current year. After the second race, only the current year's results are used for ranking. 10/08

#### *6.2.1 Ranking Ties*

Ties will be broken by the best race in the Event List of the given technique. If a tie continues, the next best race is used until the tie is broken. If a tie is not broken, the competitor with the highest point total in the other discipline's Event List breaks the tie. 10/08

### *6.3 NENSA Seeding*

The NENSA quota for the first race will be placed in Groups 2 – 5 based on NENSA/USSA points. For the remainder of the carnival season, NENSA racers will be placed in Groups 1 if they earn World Cup points that rank them accordingly. In the event of a tie, the more advantageous positions goes to the EISA Collegiate racer. 10/08

### *6.4 USST Seeding*

US Ski Team National Members are placed in Group 1 beginning with bib 1. Start placement within the field for World Junior or U23 USST members is to be determined by votes at the coach's meeting

prior to the event. These athletes will be placed in Group 1 with a top possible seed of 16<sup>th</sup> (between 16-30). 10/08

#### *6.5 Invited Team/Open Seeding*

Invited Teams will be split among the 5 Groups. Open Racers from the EISA would comprise a Group behind Group 5. The order of the Group will be drawn randomly. 10/08

### **SECTION VII *Running Orders***

#### *7.1 Alpine Running Orders*

Alpine running orders will be produced in standard USSA format. They will include FIS or USSA seeding points. They will list the team code for each competitor. Non-scoring, non-EISA competitors will be listed as GST (Guest). Running orders will be available at the competition site prior to the opening of the race course for inspection.

#### *7.2 Cross-Country Running Orders*

Running orders for cross-country events will list: start number, competitor's name, team code and start time. The bib sequence for each event will start with the number 1. Running orders for cross-country events will be available immediately following the coaches meeting and at the race start.

#### *7.3 Leaders Bibs*

For cross-country events the NCAA Qualification Event Lists will be used to determine the individual event leaders in each discipline. The event leaders will start with a "Leaders Bid". 4/99  
For alpine events the event leaders will be determined by the EISA Individual Event Ranking Lists. 4/07

#### *7.4 GS Start Order*

In all EISA GS events the women will start first, when the men and women compete on the same course. (4/05)

#### *7.5 Second Run Start Order*

The start order for the second run will be reverse 30 unless otherwise determined to be reverse 15 by the Jury 1 hour prior to the start of the 1st run, based on course conditions. 9/99

### **SECTION VIII *Scoring***

#### *8.1 Cross-Country Relay Scoring*

The score for each institution is the points scored by the top scoring team in each of the men's and women's events.

#### *8.2 Mixed Gender Relay Scoring*

The score for each institution is the sum of the points scored by the top two scoring teams in the combined men's and women's event.

#### *8.3 Cross-Country Pursuit Scoring*

Cross-country pursuit events will be scored as a combined event. This score will be doubled for the team score. The first race of the pursuit may count as a NCAA qualifying event.

#### *8.4 Sprint Scoring*

All competitors will be ranked and points will be awarded for each place as in individual events. Only the top 3 competitors from each team will be awarded points. 9/02

#### *8.5 Other Collegiate Competitors*

All official collegiate team competitors will be included in the calculation of the team scores.

## 8.6 Point Base

The NCAA team scoring procedure (Appendix F) will be used to produce EISA team scoring results during the carnival season. 10/08

## **SECTION IX *Results***

### 9.1 *Official EISA Results*

Official EISA Carnival Results will be produced according to standard EISA results formats and will include only collegiate skiers. Only the Official EISA Carnival Results will be distributed to the press and posted on the EISASkiing.org web site.

### 9.2 *Official Results Packet*

The official results packet will contain, in the following order, one page each for: Cover, Institutional Information, Team Results. The complete collegiate event results will follow in daily chronological order as follows: women's alpine, men's alpine, women's cross country, men's cross country.

### 9.3 *Results Distribution*

Results and team scores will be posted on the web at EISASkiing.org immediately after the results are made official. Official results will be distributed immediately to the press upon completion of each day's events. Official result packets will be distributed by the host institution to all competing teams within one week after a sanctioned meet. For open events, official USSA or FIS results containing all competitors shall be available. Official USSA and/or FIS results for all USSA and FIS sanctioned events must be properly submitted to the USSA and/or FIS for scoring.

### 9.4 *Results Format*

See Appendix for Official EISA Carnival Results format examples.

### 9.5 *Headers and Footers, Sponsors*

All result pages will have "EISASkiing.org" centered in the header. The footer shall be reserved for sponsor logos as designated by EISA. Host institutions may use the remaining space in the headers and/or footers for institutional and event sponsors or institutional names or logos.

### 9.6 *Alpine Results*

The official results for alpine shall be produced according to NCAA Rule 2, Section 6 using USSA approved software and will be produced in the USSA format so as to include team designations and team non-scorers. They will include EISA team scoring points and NCAA qualification points. FIS results and penalty points will be made available.

### 9.7 *Cross-Country Results*

The official results for cross-country shall be produced according to NCAA Rule 2, Section 6. The results will also list NCAA qualification points.

## **SECTION X *EISA Championships***

### 10.1 *Non-EISA Entries*

The Eastern Region USCSA quota for Alpine is 15 men, 15 women as selected by USCSA. The Eastern Region USCSA quota for Cross-Country is 5 men 5 women as selected by USCSA.

### 10.2 *Intent to Compete in NCAA Championships*

"All members in a sport who are not also members of the NAIA will participate (if selected) in the NCAA Championships or in no post-season competition in that sport". (NCAA Bylaw 31.2.1.1)

## **SECTION XI *NCAA Qualification***

### **11.1 *NCAA Qualification Ranking Lists***

- a. In NCAA qualification races all EISA competitors will be scored using the World Cup points table. At the NCAA Regional Qualifying Meet all EISA and other NCAA qualification eligible competitors will be scored.
- b. In the case of a tie in an event, each racer will be awarded the full points for his/her place of finish. 4/99
- c. The NCAA Qualification Ranking Lists for will be created for each discipline by scoring the best two results in NCAA qualification races in that discipline.
- d. The current NCAA Qualification Ranking Lists will be posted on [www.EISASkiing.org](http://www.EISASkiing.org).

### **11.2 *NCAA Alpine Qualifying Criteria***

- a. Competitors will be ranked in each discipline using the NCAA Qualification Ranking Lists
- b. Using the NTSM selection procedure the two NCAA Qualification Ranking Lists for alpine and cross country (slalom, giant slalom for alpine, freestyle, classic for cross-country) are combined to create one list.
- c. Non-EISA athletes will double their single event score from the Regional Qualifying Meet.
- d. Ties between non-EISA and EISA skiers in the Event Lists go to the non-EISA skier.
- g. Ties between EISA skiers in the NCAA Qualification Ranking Lists are broken by:
  1. Best result in that event.
  2. Next best results in that event.
  3. Highest rank in the other event.
  4. Best results in the other event.
- h. Ties in the NTSM ranking lists are broken by:
  1. Single best result for either event followed by 2nd best result for either event, etc. 9/99

### **11.3 *NCAA Nordic Qualifying Criteria***

- a. NCAA Nordic selections will be made by scoring the total of the best two results from classic events and the best two results from the freestyle events using the NCAA Qualification Rankings List.
- b. If there is a tie in points after combining the possible four results, the best race will be used to break the tie. If a tie remains, the next best result is used, and so on, until the tie is broken.
- c. Ties between non-EISA and EISA skiers in the events list will go to the non-EISA skier.
- d. An automatic slot will be awarded to any skier named to the World Junior Team that achieves a top 30 finish in a non-sprint race. 10/08

## **SECTION XII *NCAA Championships***

### **12.1 *NCAA Course Setters***

On the day of the opening banquet at the NCAA Championships, EISA Alpine coaches will meet to select their course setters for the Championships. 4/99

## **SECTION XIII *Contracted Services***

### **13.1 *BART Timing***

To be updated

### **13.2 *Carnival Host Obligations***

To be Updated

### **13.3 *Race Management Services (RMS)***

RMS will supply and deliver to each host institution a sufficient number of slalom gates, giant slalom gates and panels, drills and bibs for all events.

### 13.4 *Slalom Poles*

27mm, FIS approved slalom poles will be used in all EISA alpine events. 4/01

### 13.5 *Sponsorship, Racing Bibs, GS panels*

Official EISA racing bibs and GS panels, which may contain sponsor logos, must be used in all EISA events.

## **SECTION XIV *Awards***

### 14.1 *All East Selection Procedure*

All East selections will be made by scoring the total of the best 2 results from slalom and the best 2 results from giant slalom for alpine and the best 2 results from classic and the best 2 results from freestyle for cross-country using the NCAA Qualification Ranking Lists.

### 14.2 *Leader Bib Award*

At the end of the season the leaders in the NCAA Qualification Ranking Lists in each discipline, will be presented with the leaders bib at the final awards ceremony. 9/03

### 14.3 *Rookie of the Year*

An Alpine and Nordic, male and female rookie (first year student) of the year will be named at the conclusion of the EISA season. The winners of this award will be the first year student ranked highest on the All-East lists, combined points in both Alpine and Cross Country events. (9/05)
